

## International Symposium on Biomedical Engineering and Medical Physics

in cooperation with IFMBE

under the umbrella of the Riga Technical University 53<sup>rd</sup> International Scientific Conference Dedicated to the 150<sup>th</sup> Anniversary of the Riga Technical University and The 1st Congress of World Engineers and Riga Polytechnical Institute / RTU Alumni

**10 – 12 October 2012**

**Dear Colleagues!**

In the year 2012, Riga Technical University celebrates its 150<sup>th</sup> anniversary. Being established as the first technical university in the former Tsar Russia, now our University is the largest technical school in Latvia, has a leader positions in a number of fields, including the biomedical engineering and medical physics.

The 53<sup>rd</sup> International Conference of RTU is an important event, dedicated to the birthday of the University. The Conference covers broad spectra of topics and is aimed to emphasize the role of the high school in the modern economy and technical progress, as well as to assist in development and strengthening of international scientific, business and personal contacts and cooperation.

It is our great pleasure to invite you this year to the **International Symposium on Biomedical Engineering and Medical Physics**, which will take place under the Conference umbrella in cooperation with International Federation of Medical and Biological Engineering and Latvian Medical Engineering and Physics Society.

The scope of the Symposium will cover every topic, related to the biomedical engineering and medical physics. Symposium papers will be published in the IFMBE Proceedings series.

The Symposium will be located at the International Exhibition Center Kipsala at the University campus at the left bank of the river Daugava, 10 minutes walk distance from the Riga's downtown. The language of the Symposium is English.

The detailed information concerning Symposium, registration, submission of abstract and manuscript *etc.* is available at <http://www.bini.rtu.lv/isbemp/index.html>. Please do not hesitate to contact [isbemp12@rtu.lv](mailto:isbemp12@rtu.lv) for advises and clarifications.

Important dates:

<i>Deadline for registration, abstracts and manuscripts submission:</i>	30 April 2012
<i>Reviewing of the manuscripts, notification on manuscript acceptance:</i>	01 June 2012
<i>Symposium get – together (Conferences Ice-break party)</i>	10 October 2012
<i>Symposium sessions</i>	11 – 12 October 2012

The Symposium is a fee- free event.

We believe that you will enjoy both the Symposium and stay in Riga!  
Welcome to our City and the University!

Co-chairmen of the Symposium

21 March, 2012

Prof. Yuri Dekhtyar

Prof. Alexei Katashev
